A WORD FROM US BEFORE YOU DECIDE

We want to say this **simply.**

NEXGEN

**This path is for you if coaching
feels **important to you.****

You want to learn it well. Work is changing. People are carrying a lot. A good coach knows how to listen. A good coach helps people think clearly.
That is the work.

✓ **You want to do this well**

PCC takes more time because it asks more from you. Platinum is for people who want to go deeper.

✓ **You are ready to stay with it**

This program lasts 12 months. That gives you time to learn, practice, and grow.

✓ **You want to build something real**

Coaching helps people. We help you learn it well and build it the right way.

The ICF **PCC** path

The ICF is the group that gives coaching credentials. PCC is the second level.

It shows that you have done more training, more practice, and more mentor coaching. That is why it matters.

We cannot hand you the credential. But we can help you prepare for it well. You will practice. You will get feedback. You will grow your coaching skills. That way, when the time comes, you are ready.

Associate Certified Coach | ICF LEVEL 1

The first coaching credential.
Gold is the path to ACC.

Professional Certified Coach | ICF LEVEL 2

The second coaching credential.
Platinum is the path to PCC.

Master Certified Coach | ICF LEVEL 3

The highest coaching credential.
Lyssa Dehart holds this level.

THE TIMELINE

This program takes 12 months.

You learn *step by step*.

You will practice a lot.

You will coach real people. You will try things. You will learn what works. You will get better.

A mentor coach will help you.

Through Group Mentor and Individual Mentor Coaching sessions.

What you finish with

125 hours of Coach Training including 10 hours mentor coaching and a path towards your ICF Credential.

What you can do after

You will know how to listen well. You will know how to stay present. You will know how to help people think clearly.

NEXGEN

Everything you get **in Platinum.**
